Les Editions Vitry  
54 Quai de la Rapée  
Paris, 12, France

Gentlemen:

Your circular received.

Do you have lantern slides showing  
illustrations of coins? I gather  
that the ones described under the  
Bibliothèque Nationale might include  
these. If so, could you let us have  
a list? At the same time, will you  
kindly give a measurement of the slides  
when mounted?

Awaiting your reply,

Very truly yours,

Secretary
